#### DBS Corporate Multi-Currency Account

In addition to SGD, the Corporate Multi-Currency Account can hold the following currencies: AUD, CAD, CHF, EUR, GBP, HKD, JPY, NOK, NZD, SEK, USD and (if applicable) CNH.

If you open a Corporate Multi-Currency Account, a Singapore dollar wallet will be automatically added under this account. Unless you instruct us in advance that you do not wish to add a particular foreign currency wallet to your Corporate Multi-Currency Account, we may add a new foreign currency wallet under this account when:

- (a) you receive funds in that foreign currency;
- (b) you apply for and we grant you an overdraft limit in that foreign currency;
- (c) you indicate your choice of charge currency as a currency other than Singapore dollar; or
- (d) we make available to you certain facility or service or in any other case where we deem is necessary or desirable for that foreign currency wallet to be added.

Once added to the Corporate Multi-Currency Account, a wallet cannot be closed unless the entire Corporate Multi-Currency Account is closed.

Charges and fees (including fall-below and account service fees) are payable in relation to your account at the rates which apply at the relevant time or as you and we agree. Where you elect a charge currency in a currency other than SGD, the applicable charges and fees will be calculated based on the fees specified in SGD as converted to the charge currency at our currency exchange rate in force at the relevant time, and will be deducted from the charge currency wallet.

Interest payments and charges will be independently calculated for each currency wallet under a Corporate Multi-Currency Account based on our prevailing interest rates applicable to each relevant currency.

#### Deposit Insurance Scheme

Singapore dollar deposits of non-bank depositors and monies and deposits denominated in Singapore dollars under the Supplementary Retirement Scheme are insured by the Singapore Deposit Insurance Corporation, for up to S\$100,000 in aggregate per depositor per Scheme member by law. Foreign currency deposits, dual currency investments, structured deposits and other investment products are not insured.
