3. **“Overseas spend”** refers to retail transactions for goods and services posted in foreign currencies (other than Singapore dollars), excluding transactions which are excluded from the awarding of DBS Points as set out in the DBS Rewards Programme Terms and Conditions.
4. DBS determines an online transaction based on system indicators. These indicators are decided by the merchant and their banker, and passed to DBS when the transaction is posted to the Card.
5. For every S\$5 spend, 1X DBS Point (for all spend) and additional 2X DBS Points (for overseas spend) will be awarded on the next working day, when the retail purchase transaction is posted to the Card Account. For every S\$5 on online spend, the remaining additional 9X DBS Points (for local spend) or 7X DBS Points (for overseas spend) will be awarded at the end of the next calendar month. The additional 9X DBS Points or 7X DBS Points are only applicable for the first S\$2,000 online spend per calendar month, charged to the Card (i.e. transaction date) and posted into the Card Account (i.e. posting date) at the point of computation of the points. With effect from 1 March 2024, please note that the online bonus awarding cap for eligible spend will be adjusted from S\$2,000 to S\$1,500. Continue to use your DBS Woman’s World Card to enjoy up to 4 miles per S\$1 on your purchases.
